1. Returned herewith is the subject letter, addressed to the  
DCI by the Assistant Comptroller General, which relates to 

STAT

2. An informal discussion with the GAO attorney interested in  
the case (Mr. Baer, Ext. 89) indicates that the desired practice in  
such matters is, for all agencies having agreements with contractors  
involved in bankruptcy proceedings, to send vouchers payable to the  
contractors to GAO for direct settlement. In this way, GAO feels it  
can make necessary set offs and protect the interests of the govern-  
ment. Direct settlement cases are sent to the Claims Division, GAO,  
and it is understood, in cases involving bankruptcy, they are handled  
by Mrs. Keleher (Ext. 741).

3. As indicated in telephone conversation, it would appear  
advisable that Mr. Fisher, GAO, be contacted as to procedure available  
to this Agency in this matter.
